

NOVEMBER

Newsletter

It looks like Fall is here. The autumn air is cooler and the leaves are getting more color. Thanksgiving is the perfect opportunity to reflect upon the many blessings we receive each day. We were all very happy to see so many families crowd into our classrooms at our Open House. It *is* always so exciting for the children to show their classrooms and their fall projects on display to their family.

JESUS TIME

Our Jesus Time theme for the month of November is **I Thank God for Blessing Me**. We will learn about the many blessings we have in our lives. We will learn about some of the many things that God provides for us; safe travel, food, our families and our homes. Thanksgiving is a special time to reflect upon all for which we are thankful. It is also a special time to give God all our thanks and praise.

THEME/CONCEPTS

During the month of November, many of our lessons will focus on the **Thanksgiving Story**. We will read stories about Thanksgiving and many of our lessons will include special Thanksgiving projects. We will learn about **Native Americans**. The **COLOR** of the month is **BROWN** and the **SHAPE** is the **SQUARE**. The 4 and 5 year old classes will learn the

letters "U," "C," and "O" and will continue to learn the **NUMBERS 1 -5**. The 3 year old classes will be working on the letter "T" and **NUMBER 4**.

Library Books - On November 2nd and 3rd the children will go to the Children's Library in our church, and be allowed to check out books, cassettes, and videos. We ask that you help your child enjoy them and continue to teach your child how to care for them, and return them (before our Thanksgiving Feast day).

Thanksgiving Feast: We will celebrate Thanksgiving with a very special feast at preschool. We are all very thankful for our families, especially our Grandparents. We would like to invite our **Grandparents** or other **Special Adults**, along with parents to join us for our Thanksgiving Celebration and Feast. Our celebration will begin in the church at **10:45 AM**. We will sing some special songs for our guests. Then we will share our special feast. All of our classes will enjoy their feasts together in the large gym area. The preschool will provide the traditional pumpkin pies and each child is asked to bring 25 of his/her favorite foods or snacks. There will be many great choices for your child to choose from, so very small portions (**appetizer size**) are plenty. Example: 25 wedges of apple instead of 25 whole apples or 25 small cups of macaroni and cheese or ice cream. **Please help your child place his/her special favorite food in the gym, on the table labeled for your child's class. If your child's favorite food requires refrigeration, please place it in the refrigerator in the kitchen near the gym. Please label your child's food with: Child's Name and Child's Class.** And please, invite your child's grandparents or special guests to come and celebrate with us.

God bless,
