

# March Newsletter

Every day is a great day to celebrate the love of family, friends and especially the love of Christ, and we have enjoyed the love we've shared with each other in the classrooms over the past month. The children enjoyed sharing Valentines with each other at their parties, and all of our Bible stories helped us remember the love and forgiveness Jesus gives and that we should do the same. It's sad to say goodbye to February, but the good news is that love goes on and on.

## JESUS TIME

God wants us to know His great love for us in Jesus. He wants us to praise Him by listening to His Word. Our March lessons will help us understand this kind of love in our Bible stories. We will continue the season of Lent and learn about God's ultimate love, through Jesus Christ, in the Easter Story. The children will learn that Jesus loves us so much that He took the punishment of our sins upon Himself - Jesus died on the cross for us and rose again so that we might live forever with Him in heaven.

## THEME/CONCEPTS

During the month of March, we will be learning about Seasons and Plants. The 4 and 5 Year Old Classes will be learning the letters "A," "V," "M," and "N." The 3 year old classes will be learning the letter "S." Our **COLOR** is **BLUE**, the **SHAPE** is the **DIAMOND**, and we'll focus on #9. We will continue to practice writing our names - remembering that our names begin with an uppercase letter and the letters that follow should be lowercase.
